PURE AND FINELY-CUT DRY WHITE WINE

Chablis

TASTING NOTES

Visual: Pale gold with green glints.

Nose: Notes of white-fleshed fruits (pear, apple) and citrus along with lime tree flowers and spice.

Palate: Both rich and mineral in the mouth with a nicely saline finish.

WINE AND FOOD PAIRING

As an aperitif or to accompany dishes such as sushi, maki, spring rolls, paella, shellfish, fish, white meats, vegetable dishes or mild cheeses.

For family occasions we typically serve it with Chablis style ham.

Serving temperature: 12°C.

WINEMAKING AND MATURING

Grape variety: Chardonnay.

Vinification: Gentle pressing at low pressure to protect the quality of the juice.

Maturing: In temperature-controlled stainless steel tanks to bring out the aromatic expression and in barrels to enhance structure and complexity.

THE TERROIR

Like the tiny and abundant Exogyra Virgula oyster shells that are intimately linked to the marl and limestone-marl soils of this vineyard, the words Chablis, Chardonnay and Kimmeridgian are inseparable. It is from these soils and subsoils that Chablis vines source the unique minerality to pass into the grapes while the cool northern climate with its hallmark sunny autumn days gives birth to the chiselled and fruity freshness that we find in Chablis.

DID YOU KNOW?

Situated close to Auxerre in the Yonne département, the Chablis vineyards follow a small river with the predestined name of "Le Serein". The first traces of vineyards in Chablis date back to Roman times, then from the 12th century, the Cistercian monks developed vine cultivation. Officially endorsed in January 1938, the Chablis Appellation d'Origine Contrôlée recognized the excellence of this dry white wine which, more than wines from other areas, has shown it can maintain its top ranking thanks to a quality grapevine planting policy throughout its history.
